#### TERMS AND CONDITIONS OF SALE

- TERMS—The terms of this sale are cash. All settlements must be made with the Clerk immediately at the conclusion of the auction and before the animals are removed.
- GUARANTEE: All animals selling as a separate lot in this sale are guaranteed to be breeders regardless of age at the time of purchase, except that bulls shall not be allowed to serve when under 14 months of age or allowed to run with the herd when under 20 month of age. Notice of a failure of a bull to breed must be given to Glen Cove Farms at the earliest possible date. When a bull or female fails to comply with the guarantee Glen Cove Farms will have the option of substituting an animal of equal value to the satisfaction of the purchaser, or having the animal returned for a trial period of not to exceed 6 months. The expense of freight in such cases is to be paid by the seller. If the animal is then proven to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any later substituted.
- REGISTRATION CERTIFICATE—Certificates of registry and transfer will be furnished with each animal sold. An application of registry will be furnished for all unborn calves.
- HEALTH—Glen Cove Farms are Federally Certified for Bangs No. C2271 and T. B. Accredited. A health chart will be furnished for each lot, so they can be shipped into any state and Canada.
- ANNOUNCEMENTS—All announcements made from the auction stand on sale day will be considered final and will take precedence over the matter printed in the catalog.
- LIABILITY—The above guarantee (terms) shall constitute a contract between Glen Cove Farms (seller) and the buyer of each lot. Neither the sale manager, nor the clerk of the sale assumes any liability, legal or otherwise. Where footnotes appear in this catalog, they were furnished by the owners. We will not be responsible for any accidents that may occur but will make every effort to provide for the comfort and safety of our guests. Accidents at cattle sales are rare, but persons attending must do so at his or her own risk.

### Our Invitation To You...

Again we are inviting all Shorthorn enthusiasts and their friends the world over to our annual sale. To make our sale a special attraction to breeders everywhere we are parting with some of our best cattle.

We strongly believe in displaying the herd bull battery and brood cow herd for our customers' and guests' thorough inspection. Both will be on view October 11th and 12th against a background of beautiful October scenery.

Whatever your transportation method we are sure you will especially enjoy a trip through the East at this season.

We hope you will arrive on the 11th and visit with us and our mutual Shorthorn friends at our open house that evening. The entire Glen Cove organization will do everything possible to insure a most enjoyable and profitable week end for you.

↑ GLEN COVE CAIRNBROGIE 3007-056. This 1961 International Supreme Champion and All-American 2-year-old bull, one of the all-time great show bulls, is now proving equally as great a breeding bull. Now in 4-year-old form, he still possesses all the quality, sound feet and legs and great fleshing that made him a great show bull. In our recent classification he received one of the highest scores ever given a herd bull in the United States — 88.3 points. Many of the cattle in the sale are by Cairnbrogie and a good number will be bred to him. Be sure to see him sale day.

♣ LOUADA NUGGET -377843-. The highest priced American bred Shorthorn bull in history is proving his great breeding ability across the nation. He is owned jointly with K.C. Farms and W. C. Anderson, and there are reports of great calves by Nugget from Iowa to New York. His offspring were in great demand at last year's sale, and we think we have an even greater group this year. Nugget's great potential is just beginning to be realized, and those who would like to own some of his offspring will never buy them more reasonably.

GLEN COVE MASTER 3125-199. This wonderfully smooth calf with great size and bone and a typical Nugget head was retained from our 1962 crop of calves for a Junior Herd Sire, because he combines many of the qualities we are looking for in Shorthorn cattle. He is from one of our greatest producing cow families, the Crieff-vechter Maidens, that have consistently produced our largest, heaviest boned and best headed calves. We have bred a few of the sale heifers to Master in order to give our customers an opportunity to own some of the first calves from this beautiful dark red Junior Herd Sire. He will be given every opportunity here at Glen Cove to prove his worth. We are sure you will be hearing much more of Glen Cove Master.

#### Bred Heifers ...

We have dipped heavily into our breeding program to assemble this group of heifers — six by Nugget and ten by Cairnbrogie. All will be safe in calf by sale time. They are not highly fitted. Few sales have ever offered such a large group of heifers sired by two such noted bulls as Cairnbrogie and Nugget.
